“As our MCO for approximately six years, CompOne has been extremely effective in managing our Workers Comp claims. I find Dianne and her staff to be highly qualified, very experienced and to work very aggressively in controlling costs for our school district. I would have no hesitation in recommending CompOne to any school or business.”

- Richard R. Santilli, Treasurer
Boardman, OH School System

WORKERS’ COMPENSATION AND YOUR INJURED WORKER REVIEW

- We help coordinate your injured worker remain at work or return to work with rehabilitation tailored to their job and injury
- We help you file the claim
- We work with your injured workers' physician to make sure they receive appropriate medical care geared toward return to work
- From the beginning of the claims process, we assess your injured workers vocational ability and optimal return to work date
- Responding to any inquiries from us will help speed up the filing process
- We will work with your injured worker to provide them with specialized, in-depth services to prepare and integrate them back into the work force
- Allowance or disallowance of the claim, prescriptions and benefits are determined by the BWC not the MCO

EMPLOYERS we will:

- Manage your medical-only and lost-time claims
- Assist to keep your risk history free of those unnecessary lost time claims
- Provide a “Preferred Provider Panel”
